New Business:

Bowman Plan-122 Wonderland Park Road Revision #2

- Cheryl Hughes from Land Surveyors presented the revised Bowman Plan. Engineer Jeff Argyros stated that he reviewed the plan and the setbacks and 50' right-a-way issues were addressed. The planned 40' turn around area (cul-de-sac) was discussed and tabled for review with the Board of Supervisors. The plan will be presented at the September 12, 2017 Board of Supervisors meeting.

Reibold & Spithaler School Road Stop Signs

- Vice Chairman Steve Longwell presented his concerns of the new road signage that PennDOT recently placed at the intersection of Reibold and Spithaler School Road. The Stop sign at Reibold Road now reads Stop *Except Right Turn* with a flashing red light, whereas the Stop sign on Spithaler School Road only has a flashing red light. The Planning Commission feels that a sign needs to be placed on the Spithaler School Road stop sign to make traffic aware of the change. They will be present their concerns to the Board of Supervisors at the September 12, 2017 and if necessary address a letter to PennDOT.

Adjournment:

Stuart Thompson moved to adjourn. Steve Longwell seconded, motion passed unanimously. Meeting adjourned at 8:02 PM.
